

Business & Professional Membership

Business & Professional membership includes listing of the business/ organization name, address, phone and website in the printed and online directories. Online directory listing also includes a 25-word description of the business and a hyperlink to the business website as well as the option to include links to business social media sites. The business member may also be included in up to three (3) business categories. Any individual or business entity or association, however organized, having an interest in the purposes and objectives of the Chamber, may become a member by making written application as provided by the Board of Directors and paying the requisite membership investment. Membership is on a non-partisan, non-sectarian, nonracial, and non-political basis.
